Greetings Brunswick Job Corps!

This past weekend we celebrated our March Madness event hosted by our Youth-to-Youth group and our SGA Executive Board. Our Recreation Aides were also a critical part of the event. Gadsden and Turner Job Corps participated. Our students and staff worked hard to make the day possible.

We already have four organizations committed to participating in our National Apprenticeship Week events scheduled the week of 4/27-5/1/2026. Watch for further details.

If you know a young person who wants a pathway to college, the military, or apprenticeship, Brunswick Job Corps is a pipeline to great opportunities. We are open to the public Wednesday morning weekly at 10am. Tour the center and get all the information needed for enrollment. We can also do custom tours. For further information about Brunswick Job Corps, please contact 912-554-1052. Want to help support our mission? Join our team of professionals by calling 912-554-1010.

MARCH MADNESS

Are you a graduating Senior?

The Brunswick Admissions Team in Gwinnett County (Larry Starke and Danielle Sprowl) is here to serve you and provide you with Job Training Opportunities!

Phoenix High School, Lawrenceville, GA

On March 18th, Admissions Representatives Larry Starke and Danielle Sprowl brought opportunity and inspiration to Phoenix High School's College and Career Fair in Lawrenceville, GA. Connecting with students and staff, they introduced Job Corps as a life-changing pathway to success reaching more than a dozen individuals eager to explore their future options.

During the event, students discovered that Job Corps is more than just a program; it's a foundation that empowers each individual to build their own pathway forward. With tuition-free education, hands-on career training, and access to industry-recognized certifications, students were introduced to real opportunities that can lead directly to meaningful careers and long-term success.

Outreach efforts like this reflect our ongoing commitment to meeting students where they are, expanding access to opportunity, and inspiring confidence in what's possible. Through impactful conversations and genuine connection, Mr. Starke and Mrs. Sprowl are helping students realize that their future isn't something to wait for. It's something they can start building today with Job Corps. Together, we're opening doors, creating pathways, and empowering the next generation.

OA WEEKLY NEWS

Grayson High School Grayson, GA

On April 1st, Admissions Representatives Danielle Sprowl and Larry Starke brought energy, opportunity, and inspiration to Grayson High School's Future Ready Skills Expo in Grayson, GA. Connecting with more than 40 students and staff, they opened the door to new possibilities by introducing Job Corps as a powerful pathway to a brighter future.

Throughout the event, students discovered how Job Corps goes beyond traditional education offering tuition-free career training, industry-recognized certifications, and hands-on experiences that lead directly to real-world success. For many, it was more than just information it was a moment of realization that their goals are achievable and within reach.

As we continue into 2026, outreach events like this highlight our unwavering commitment to expanding access, igniting potential, and transforming lives. Through meaningful conversations and genuine connection, Ms. Sprowl and Mr. Starke are helping students see that success isn't something far off it's something they can start building today with Job Corps.

Together, they are not just sharing opportunities they are shaping futures, one student at a time!

OA WEEKLY NEWS

On Wednesday, April 1st, Admissions Representative Karlesia Pickett participated in the LinkedUP Church Job Fair. The event welcomed over 1,300 registered job seekers and featured more than 50 community partners and businesses.

The Job Corps table engaged with over 50 individuals, with more than half signing up to receive additional information about the program. Notably, 15 individuals registered to attend orientation next week!

During the event, AR Pickett also established connections with three community organizations and businesses interested in forming future partnerships. Additionally, she connected with the owner of BrightStar Home Care, who expressed interest in partnering with the Brunswick Job Corps Center to hire healthcare professionals graduating from the program.

Shoutout to Karlesia Pickett for her dedication to networking and opening doors for our students-amazing work!

The Host with the Most

New Hampshire was over the moon as it hosted the **New Hampshire Aerospace and Defense Consortium** quarterly meeting, drawing nearly 40 employers to the Center. Culinary students provided food, while Hospitality students hosted tours of the Center after the meeting. Representatives from **General Dynamics Electric Boat, Portsmouth Naval Shipyard, Maritime Industrial Base (MIB)** and other organizations met with **Job Corps Boston Regional Director Aneta Hrebenko** and **New Hampshire Center Director Stephanie Ashworth** to view the hard trades and learn more about Job Corps. **MIB Workforce Development Lead John Graning** said he will be working with New England Centers on the **BuildSubmarines** initiative. Nice work, New Hampshire!

Philadelphia's Ship Comes In

A similar event occurred at the **Philadelphia Center** related to the **Hanwha Philly Shipyard**. **MIB Workforce Development Lead Thomas Hughlett** and **Job Corps Deputy Director Thony Martino** toured the Center with **Center Director Fred Gyasi**, **Adams Vice President Greg Weber** and students. Mr. Martino and Mr. Hughlett discussed opportunities for Philadelphia students to pursue careers in the shipbuilding industry such as welding, pipe fitting and shipbuilder. Phenomenal job, Philly!

Safety First

Grafton Security students are on the path toward success, as they begin their 6-week internship as Safety Monitors for Worcester's **Union Station**. **Students Tiasa Key Morrison and Antonio Dias De Andrade** started their internship with the **Worcester Redevelopment Authority (WRA)**, which supervises the Safety Monitor effort. **WRA Supervisor Jim Bedard** and his team will provide ongoing feedback for the students as they conduct real-time safety activities. This latest internship is part of a well-established partnership between the Grafton Center and the WRA. Grow those partnerships, Grafton!

From the President, Susan Sez
