# Outreach Activities

## Youth Build of North Shore Community Development Coalition

Shriver Admissions Counselor Dawn Laidley presented to NSCDC members, case workers and the director. Her presentation was well received, the group was engaged and asked great questions during the presentation..

Dawn shared that she always starts by asking- who here has heard of Job Corps? No one raised their hand..

***Now they know about JOB CORPS!***

# Outreach Activities continued...

Muñiz Academy is dedicated to full cultural and linguistic fluency in Spanish and English for all our students. Through deep partnerships with our families and community, we prepare students for higher education, careers, and civic leadership. This past Friday, March 27th Duane Bastarache, our Carpentry Instructor along with Emilio Flores, both Job Corps Alumni, and Admissions and Outreach Counselor, Lisette Azucena participated in the annual Career Panel Day where they discussed their work and life experiences to help the students get real life stories to help them plan their future.

### The Host with the Most

New Hampshire was over the moon as it hosted the **New Hampshire Aerospace and Defense Consortium** quarterly meeting, drawing nearly 40 employers to the Center. Culinary students provided food, while Hospitality students hosted tours of the Center after the meeting. Representatives from **General Dynamics Electric Boat, Portsmouth Naval Shipyard, Maritime Industrial Base (MIB)** and other organizations met with **Job Corps Boston Regional Director Aneta Hrebenko** and **New Hampshire Center Director Stephanie Ashworth** to view the hard trades and learn more about Job Corps. **MIB Workforce Development Lead John Graning** said he will be working with New England Centers on the **BuildSubmarines** initiative. Nice work, New Hampshire!

## Philadelphia's Ship Comes In

A similar event occurred at the **Philadelphia Center** related to the **Hanwha Philly Shipyard**. **MIB Workforce Development Lead Thomas Hughlett** and **Job Corps Deputy Director Thony Martino** toured the Center with **Center Director Fred Gyasi**, **Adams Vice President Greg Weber** and students. Mr. Martino and Mr. Hughlett discussed opportunities for Philadelphia students to pursue careers in the shipbuilding industry such as welding, pipe fitting and shipbuilder. Phenomenal job, Philly!

## Safety First

**Grafton Security students** are on the path toward success, as they begin their 6-week internship as Safety Monitors for Worcester's **Union Station**. **Students Tiasa Key Morrison and Antonio Dias De Andrade** started their internship with the **Worcester Redevelopment Authority (WRA)**, which supervises the Safety Monitor effort. **WRA Supervisor Jim Bedard** and his team will provide ongoing feedback for the students as they conduct real-time safety activities. This latest internship is part of a well-established partnership between the Grafton Center and the WRA. Grow those partnerships, Grafton!
