## Walking Through History: CPP & Recreation Explore Selma's Legacy

CPP and Recreation Department teamed up for a powerful and enriching trip to the African American Research Library and Cultural Center, creating an experience that brought history to life beyond the classroom walls. Students were immersed in the cultural significance and historical impact of Selma, gaining a deeper understanding of the courage, resilience, and sacrifices that shaped the Civil Rights Movement. Through this experience, they were able to connect past struggles to present-day progress, sparking meaningful reflection and conversation. This collaborative effort not only expanded students' knowledge of cultural history but also encouraged them to appreciate the importance of awareness, unity, and continued growth. It was more than a trip, it was a journey through legacy, purpose, and pride

## Student Spotlight - Daniel Clinton

Daniel Clinton recently began his Work-Based Learning (WBL) experience within the Counseling Department and has already made a strong impression. He has been instrumental in assisting the team, demonstrating reliability, professionalism, and a strong willingness to learn. Through his role in the Counseling Department, Daniel is developing valuable office and administrative skills, including organization, communication, and day-to-day operational support. With the guidance of his Office Administration instructor, Mr. Ellison, he continues to grow within his trade and apply his knowledge in a real-world setting. Daniel's dedication and progress reflect his commitment to both his personal and professional development.

## Penn Foster Pizza and Ice Cream Social

Graduates of Penn Foster High School were recently celebrated with a lively pizza and ice cream social honoring those who earned their high school diplomas during the months of February and March. The event was filled with pride and excitement as students received certificates recognizing their achievements on the Honor Roll and Principal's Honor Roll.

Music set the tone for the celebration, with hip hop and R&B tracks playing as students laughed, connected, and enjoyed games like spades, UNO, and Connect 4. The room buzzed with joy, accomplishment, and community.

---

For many graduates, this moment was especially meaningful. Some shared that they had never before been recognized for a milestone like this. The celebration not only honored their hard work but also created a lasting memory of encouragement, recognition, and success. Congratulations graduates! We are proud of you. "Oh the places you will go!"

## Recreation Highlight

The Recreation Department recently hosted an engaging entrepreneurial workshop featuring Dr. Prince, where students were introduced to the essential steps of becoming an entrepreneur and the many benefits of entrepreneurship. The session also explored the pros and cons of starting a business, giving students a balanced and realistic perspective. Students were actively engaged throughout the seminar, asking questions and participating in discussions. This impactful event was organized by the Recreation Department, led by Mr. Sturup, also known as Coach Speedy.

MJCC CSIO DEPARTMENT PRESENTS

## ACE

AWARDING CONTINUOUS EXCELLENCE

### What is ACE

A new student conduct incentive program that automatically loads points into a student's "bank" based on achievements and positive behaviors. Points are redeemable for incentives throughout a student's enrollment.

### How Can I Earn ACE Points?

Positive Incident Reports, TABE level gains, Diploma & Trade percentage increase and Completions, Perfect Conduct, Driver's License Attainment, ESP scores, First & Second Primary Credentials, Leadership Roles on Center, Dorm room ratings, Recreation HEALS weekly attendance, TAR percentage weekly increase, Safety Awareness.

### How will I know how many points I have?

ACE "Points Report" will be posted every Friday @ 10:00am around campus.

**PLEASE SEE MR.FISHER FOR ANY QUESTIONS!**

### How to redeem points?

- CSIO Incentive Closet Items
- Monetary Debit Card Uploads
  - Special lunch off center
- Recreation Trip Priority Pass
- SCA School Dollars for the Student Store
- and much more!

## Disconnect to Reconnect

The benefits of a digital detox

We spend a lot of time on screens. Recent reporting shows that Americans check their phones an average of [144 times a day](#) and may spend over [18 years of their adult life](#) online. It's hard to take a break from our devices because it's how we get our news and stay in touch. However, doing a digital detox can help us think clearly, boost our creativity, and strengthen our personal relationships, all with the ultimate goal of improving our physical and mental health.

### What is a digital detox?

A digital detox is a set amount of time where you take a deliberate break from all your devices. The goal is to refocus, recharge, and regain a sense of ease without the distraction of technology.

### Signs you may need a digital detox

- You wake up and immediately reach for your phone.
- You find yourself bored so you scroll on social media.
- You feel you will [miss out](#) if you don't check your phone or social media.
- Your sleep is affected by staying up on your phone.
- You begin to miss out on in-person interactions.
- You feel [sad or anxious after scrolling](#) through social media.

### Benefits of a digital detox

1. **Reduces stress.** Being on your phone 24/7 can induce "[popcorn brain](#)," which is when your brain becomes stressed out by being online. By putting your phone down, you can provide your body the rest you didn't know it needed.
2. **Improves overall health.** Many of us sit and scroll for long periods. Studies suggest "[sitting is the new smoking](#)," leading to greater risk of heart conditions and poor health. By getting off our devices, we can allow our bodies to regroup and get moving.
3. **Improves productivity.** When we get off our phone, our day can free up. When you don't feel the need to scroll, you'd be surprised how much you can get done during the day.
4. **Improves sleep.** Screens emit blue light, which [tricks our brain into thinking it's daytime](#). This makes going to sleep even harder. When you put your phone down an hour to 30 minutes before bed, you'll be able to get a better night's sleep.
5. **More time for the things you enjoy.** When you replace your screentime with activities that don't require technology, you'll be amazed how much richer your life can feel.

## Adams Family Fables

*Service Focused, Outcome Driven.*

April 17, 2026

### #ShowcasingSuccess

#### Championing Cybersecurity

New Hampshire Advanced Security students showed off their cybersecurity chops during Manchester Community College's *Cybersecurity Symposium*. Students Donjae Booth, Thomas Ebersole, Thomas Nguyen, Angelina Nguyen, Dagem Endazenaw and Christina Nguyen dubbed themselves the "Job Corps 6" as they presented on cell tower dumps. Their presentation, which had tech support from students Zachary Blackwelder and Will Kibuuca, was even featured on *WMUR News*! When not presenting, the students engaged in symposium themes on how to best utilize AI and Extended Reality technology. Nice job, New Hampshire!

#### Conventional Construction

Phoenix UBC Carpentry students help set the stage for the SkillsUSA Arizona State Leadership & Skills Conference at the Phoenix Convention Center. Students dedicated three days to the effort, overseen by their UBC Carpentry Instructor. This initiative reflects the strong partnership between the Job Corps Center and the Convention Center. Perfect work, Phoenix!

#### Ladies Leading the Way

Woodland is making ladies part of the Construction conversation, with its recent participation in the "Construction and Conversations" event sponsored by O'Hara Development Partners. The event featured a dynamic panel of women who own and operate state construction companies. Participants toured mixed-use properties, including an exclusive hard hat tour of *The Xander*, a 19-unit mixed-use property in downtown Baltimore. Students also observed a floor installation demonstration. A highlight of the event was the financial and business guidance provided by Baltimore Community Lending CEO Watchen Harris Bruce. Way to go, Woodland!

#### From the President, Susan Sez

It was a *Fabulous Financial Fiesta* at Adams Columbia Office, as Corporate Finance leaders hosted our annual Finance Training. Finance Managers across our Centers attended to strengthen their skills in accounting, accounts reconciliation, purchasing, financial controls, contract modifications, payroll and critical documentation. Corporate Director of Contracts Accounting and Budgets Latoya Thurman led the training, supported by Corporate leaders Kristy Richford, Debbie Cavathas, Greg Weber, Reuben Horace, Pamela Kelley, Kathleen Loebl, Sarah Drew, Erin Bell and Melody Hays as well as Acumatica Consultant Paige Hodson. Kudos to everyone who helped facilitate this training!
