Apprenticeship Week Showcase

Apprenticeship Week was celebrated in style with a vibrant brunch event that brought together guests for an engaging and hands-on experience. The morning began with a warm introduction highlighting the Center's mission and the wide range of opportunities available to students. Guests were then guided on an interactive tour, where they had the chance to see students in action, proudly showcasing their trade skills across various programs. The event concluded with a delicious brunch, thoughtfully prepared and served by our talented culinary students—offering a true taste of the skill, dedication, and creativity fostered at Miami Job Corps.

Cam-Lock and Lock-Fast Concrete Forming Systems/ Apprenticeship Week 2026

In celebration of Apprenticeship Week 2026, the Southern District Training Trust Fund hosted a two-day hands-on training on Cam-Lock and Lock-Fast Concrete Forming Systems on April 28–29, 2026, at the Ft. Lauderdale training facility. This training is designed for youth, pre-apprentices, and apprentices who want to learn how concrete forming systems are used on real jobsites. Participants will be introduced to system components, safe installation and removal practices, and the importance of teamwork and jobsite safety. This session supports career exploration, skill development, and pathways into the skilled trades through collaboration with the UBC National Job Corps Trust Fund, Miami Job Corps Center, and Gates Concrete.

HEALs Day

The week we hosted our monthly HEALs Day event promoting healthy eating and an active lifestyle. Students enjoyed a fun filled day featuring a BBO, outdoor games like kickball, and a special water themed twist to beat the heat. This event continues to provide a great opportunity for students to stay active, connect with one another, and builds healthy habits in an engaging environment.

SGA Community Outreach

Ms. Hill and several Student Government Association (SGA) members went off center to conduct community outreach, sharing information about the Miami Job Corps Center and the opportunities it provides. During this outreach, they engaged with community members, answered questions, and helped raise awareness about the center's programs and benefits.

#NationalApprenticeshipWeek2026

Concrete Careers

Woodland continues to build up apprenticeships through its partnership with **Schuster Concrete**, which has placed 7 graduates at \$18 an hour. Among the most recently placed graduates is **Michael Bates** (pictured here), who was hired as a laborer apprentice and began on April 6. In addition, Woodland sought more apprenticeship opportunities through the **Clark Construction Group** hiring fair, which included opportunities connected to the **Pimlico Race Course** reconstruction project. Students also toured **Anne Arundel Community College** to learn about the college's apprenticeship programs for Electrical, Carpentry, Welding and Building Construction Engineering. Way to go, Warriors!

Apprenticeship Acknowledgement

Sacramento's pre-apprenticeship trades scored recognition from U.S. Representative **Doris Matsui** through a proclamation. The statement is in honor of National Apprenticeship Week and highlighted Job Corps as a vital resource for workforce development that equips young adults with foundational occupational skills and industry-recognized credentials. Kudos to **Business Engagement Manager May-Va Vang** for securing this wonderful recognition for the Center! Sensational work, Sacramento!

Cut Out for Apprenticeship

Delaware Valley helped **UBC Carpentry** and **HBI Facility Maintenance students** carve out apprenticeship pathways, with a trip to the **North Atlantic States Regional Council of Carpenters Apprenticeship Program** in Rock Tavern, NY. Students experienced the world of professional carpentry, explored state-of-the-art training facilities and active learning environments and connected directly with experienced instructors and apprentices. The experience deepened their understanding of the trade and energized them to continue building their skills and pursuing opportunities in the carpentry field. Dynamic job, DV!

From the President, Susan Sez

I am pleased to welcome new **Mississippi Center Director James Harris** to the **Adams Family!** Mr. Harris started at the Center on April 20 and arrives with 30 years of successful Job Corps experience. He served 14 years as a Center Director at **Benjamin L. Hooks** and 4 years as Center Director at **Gadsden**. Most recently, he served as a Vice President of Operations and Chief Operations Officer for **MINACT**. Mr. Harris is a long-time Mississippian and understands the needs of the youth the Center serves. We are excited to have him with us and look forward to seeing him drive Mississippi toward further success! **#OneTeamOneGoal!!!**
