2024 WINTER FORMAL

Exeter's **Student Government Association** hosted **Winter Ball** last week. It was a night of elegance that added a special touch of magic to the winter season. Lite up with lights and balloons, the students couldn't wait to hit the dancefloor. Throughout the night you could hear laughter and witness the graceful moves of staff and students. Not only does the winter formal symbolize a celebration of vocational and academic achievements but it also helps forge lasting connections within Job Corps!

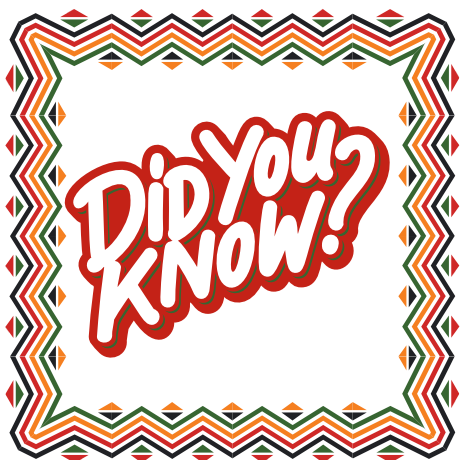

Thank you to staff and students who helped make this night go off without a hitch.
