New Hampshire Job Corps Center

MOUNTAINEER WEEKLY

MAKING A LASTING IMPRESSION

On Thursday, February 29th, NH Job Corps Center (NHJCC) held its quarterly Community Relations Council Luncheon. Stakeholders from across the state came to meet NHJCC's new Center Director, Stephanie Ashworth, and to learn more about her vision for NH Job Corps. Ms. Ashworth started by explaining how everything she does is driven by her passion about the Job Corps Program and what it can do for young people.

Our guests witnessed the value of Job Corps training as our culinary and hotel and lodging students prepared and served lunch. Proof of the excellent training and guidance these students receive from their Instructors, Manuel Camelo and Chef Zingales, was evident. Guests walked in to an impeccable table setting and were served a beautiful and tasty three course lunch.

DEIA CLUB - EXPANDING AWARENESS

The Evolution of Women's History Month

Every year, March is designated Women's History Month by a presidential proclamation. The month is set aside to honor women's contributions in American history.

In 1980, a consortium of women's groups and historians—led by the National Women's History Project (now the National Women's History Alliance)—successfully lobbied for national recognition. In February 1980, President Jimmy Carter issued the first Presidential Proclamation declaring the Week of March 8th 1980 as National Women's History Week.

Subsequent Presidents continued to proclaim a National Women's History Week in March until 1987 when Congress passed Public Law 100-9, designating March as "Women's History Month." Between 1988 and 1994, Congress passed additional resolutions requesting and authorizing the President to proclaim March of each year as Women's History Month. Since 1995, each president has issued an annual proclamation designating the month of March as "Women's History Month."

“

From the first settlers who came to our shores, from the first American Indian families who befriended them, men and women have worked together to build this nation. Too often the women were unsung and sometimes their contributions went unnoticed. But the achievements, leadership, courage, strength and love of the women who built America was as vital as that of the men whose names we know so well.

WHAT'S UP WITH F-BUILDING

Ms. Micaila: F Building - Senior Residential Advisor

Hello everyone!

This week, we took some time to clean up our diversity boards, putting up some information about Women's History Month and preparing for March.

We had our Basic Leadership meetings, Independent Living meetings and we were able to hold some of our groups this week as well.

St. Patrick's Day and Easter are both in March this year and we will have some fun activities planned for students.

WHAT'S UP WITH D-BUILDING

Ms. Bishop: D Building - Senior Residential Advisor

Hello everyone!

As they say, March comes in like a lion and goes out like a lamb. We are preparing to celebrate both St. Patrick's Day on March 17th and Easter on March 31st.

As you can see, we decided to incorporate both holidays on our fun bulletin board.

We have four leaf clovers for the luck of the Irish with all the girls' names on them and for Easter, we have the fun little Easter bunnies.

We would like to wish everyone a great March! We can't wait for spring!

KEEPING UP WITH RECREATION

Mr. Jesus: Recreation Advisor

Hello everyone!

The Rec Center was BUSY this week! Students participated in basketball, card games, Pool and Tennis.

Trade Instructors, Chef Z and Mr. Bovyn, played a friendly game of Pickleball with their students. All had so much fun. In the movie room, students watched movies, played XBOX and PlayStation.

We took a few Rec Center trips this week as well. Some students have been extra helpful this week with cleaning and reorganizing. We also moved some furniture around to make the space more accessible.
