## EAGLES TRAVEL TO PENOBSCOT

Recently, the Exeter Job Corps Center, under the leadership of Center Director Shakisha Holley and OA/CTS Manager Melissa Sarcona, seized a remarkable opportunity to participate in the **Penobscot Naval Shipyard Event** in Maine. Accompanied by five welding students, their journey was not just a simple outing but a gateway to potential career pathways and networking opportunities. The event served as a convergence point for 18 out of 19 centers located within the Boston Region, fostering a collective atmosphere of collaboration and exploration. The presence of esteemed figures such as **Acting National Director Erin McGee** and **Regional Director Aneta Hrebenko** further underscored the significance of this occasion. As the event concluded, it left a resonating message of empowerment and possibility. It showcased the potential of partnerships between educational institutions like Job Corps Centers and industry giants like Portsmouth Naval Shipyard, Electric Boat General Dynamics, and Bath Iron Works to bridge the gap between learning and real-world application. Looking ahead, the momentum generated by this event is set to continue as Exeter gears up to host a similar gathering on May 1st and 2nd. The anticipation is palpable, and the prospects are promising. It's a testament to the ongoing commitment in the community to empower and equip young individuals with the tools and opportunities they need to succeed in the ever-evolving landscape of the workforce.

### From the President, Susan Sez

**Adams' Boston Region Center leaders and student contingents** braved the weather to attend the Navy Shipbuilding Career Fair at the **Penobscot Center**. They listened to **U.S. Navy, General Dynamics Bath Iron Works and Portsmouth Naval Shipyard** discuss employment opportunities. Later, they networked with employers, toured Penobscot trades and spoke with trade instructors. Our **Adams** crew even met with **Acting National Director Erin McGee and Boston Regional Director Aneta Hrebenko**. We're grateful to Penobscot for hosting and look forward to our upcoming **Exeter Shipbuilding Fair**. (Photo credit to Fables Cub Reporter **Patti Joy**)
